Football is changing at SEUFC. This year we are doing things a little different. It's important for you to make yourself aware of those changes.

## WHY IS IT IMPORTANT TO REGISTER EARLY OR ON TIME?

Firstly we have cut off dates where are required to submit teams to the Association. This date is set by CCF and is NOT negotiable. That date is 28<sup>th</sup> February 2019. If you're not in a team well before this date, you're not guaranteed a spot. Our numbers are growing by 15% each year so don't miss out.

**REGISTRATIONS OPEN Monday 14<sup>TH</sup> JANUARY. If you register and PAY before 28<sup>th</sup> February 2019, you SAVE \$20.00 as a Junior & \$40.00 as a Senior.**

## REGISTRATION IS CHANGING

This is most important information to get up to speed with. A new portal has been designed and rolled out by FNSW. It streamlines the process to ensure registering in the future is easier and compatible with smart phone devices. ALL of your current information will import across, EXCEPT for your PHOTO. You must ensure you upload a photo, this is compulsory and is your responsibility. No photo, No play. Once you log into the portal you have the ability to view all of the players linked with the same email you have had previously, making the process easier. More information will follow and we will guide you through the process.

## WE ARE MOVING TO CASHLESS REGISTRATIONS

We will no longer accept cash for registration payments. Credit card and EFTPOS is always available. We have undertaken a risk analysis and determined this is an area that requires a change. It also takes our volunteers endless hours to reconcile cash payments. Please don't turn up with cash on registration day.

**Remember payment of registration fees are required when you register.**

## WHERE DOES YOUR REGISTRATION PAYMENT GO?

This is the most commonly asked question. We acknowledge playing sport, particularly Football is not cheap. Here is a snapshot of where your money goes. The portion retained by our club pays for admin costs, line marking, end of year celebrations, trophies and improvements we have made, and continue to make to our Club, those being;

New IT Registration Hub	Smart TV to display important messages
Improving facilities to make it OH & S safe for our volunteers	Purchase of footballs each year
Purchase of new equipment	Design & Purchase of new jerseys

## TRAINING NIGHTS

We asked our coaches/managers for feedback. Overwhelmingly they told us the current allocation of space for all teams training is not working. We will be changing and allocating space so it is fair for ALL our teams.
